PROFILE

With more than 18 years of healthcare management experience, Marci brings a unique perspective to her coaching. She is a visionary leader and leadership coach who helps individuals and organizations achieve their highest potential and stand out from the competition.

She works with leaders who are ready to step out of their comfort zone and take full responsibility for their life, health, wealth, and overall well-being. Marci combines her cutting-edge thinking with innovative mindfulness techniques to create a unique and holistic approach to coaching.

Marci is committed to creating shifts for her clients and community. She is deeply driven to be the catalyst for others to be fully present in all aspects of their work, family, and play.
